MEDICAL PANIC

In the event of a medical emergency, a crisis manager will immediately dispatch a road or air ambulance, staffed by qualified emergency medical care practitioners. Life-saving support will be provided to the patient and, where relevant, transfer provided to the closest applicable medical facility.

HOME INVASION PANIC

In the unfortunate event where a beneficiary's home has been invaded, the beneficiary will have access to Home Invasion Panic via the 24/7 MiAssist app.

HI-JACK PANIC

In the unfortunate event of the beneficiary being involved in a hi-jacking, the beneficiary will have access to Hi-jack Panic via the MiAssist app.
